The main article title is "Pescadero sets priorities, plans for future" by Alex Orlando, dated Nov 21, 2018. The article text reads: "Planning for the future of an entire town can seem like a daunting, monumental task. Should you focus on the brick-and-mortar elements like new buildings and infrastructure? Or is it more important to consolidate efforts toward cultivating a central, unified vision? And how do you involve community members and stakeholders without anyone feeling left behind? These lofty questions are all under consideration for the Pescadero Town Planning Initiative, a". A social media sharing bar is located below the text.
